Motions to compel discovery are to be filed and served by the discovery deadline or within thirty days of the default or the service of the response, answer, or objection, which is the subject of the motion, if the default occurs within thirty days of the discovery deadline, unless the time for filing of such motion is extended for good cause shown, or the objection to the default, response, answer, or objection shall be waived.

The opposing party may file a response to any motion filed in this matter. Neither party may file an additional reply, however, without leave of the court.
